Impressive Viewing Figures for Culture Night

The number of views for our Write-on Culture Night Event 2022 continues to rise. It looks like we could have more than 1,000 views. (As we go to press, view number is **931**.) People who have left comments or reviews have praised the entire show. Write-on members should be proud of their work and bask in the sunlight of well-deserved praise.

Our regular Thursday evening gathering brings us to the first Mug of the Month Competition of the new season. Who will be crowned champion? You can see from WOWO below that there are a variety of entries using the keywords **CAN** and **MOULD**.

We will have a tough job selecting the winner!
